The PA Turnpike's Turnpike Roadway Information Program (TRIP) gathers information through automated data and video feeds from the Turnpike's 24/7 Traffic Operations Center along with information from roadway crews, police and emergency responders and delivers it to you via the Turnpike's Interactive Travel Web Map, service plaza message boards, the toll-free telephone call-in advisory system, and the automated Preferred Traveler e-mail and text message notification systems.

The Turnpike's Interactive Travel Web Map ([www.paturnpike.com/webmap](http://www.paturnpike.com/webmap)) delivers a quick and easy view of current conditions across all 545 miles of the Turnpike. This dynamic map features multiple live web cams, at-a-glance traffic flow status, weather conditions, audio travel advisories and more.

The Preferred Traveler program ([www.paturnpike.com/member](http://www.paturnpike.com/member)) allows travelers to sign up to receive traffic, weather, and construction alerts via e-mail or cell phone text messages. Alerts are customized based upon selected route and schedule.

# PA Turnpike TOLL BY PLATE

## CASHLESS TOLLING

PA Turnpike TOLL BY PLATE is the license plate tolling system introduced in 2016 for cashless tolling points. Traditional cash customers traveling through a cashless tolling point will receive a PA Turnpike TOLL BY PLATE invoice. E-ZPass customers will be billed as usual.

### How Does it Work and Where Can I Use It?

PA Turnpike TOLL BY PLATE is only available at cashless tolling points on the PA Turnpike. The list of active cashless tolling points can be found on our website, [www.nocashzone.com](http://www.nocashzone.com).

High-speed cameras mounted overhead on the tolling facility capture license plate images as vehicles pass through at posted speed. The registered owner of the vehicle receives an invoice for all trips made through the tolling point. Tolls can conveniently be paid online, by phone and through the mail.

### Important Payment Terms and Information

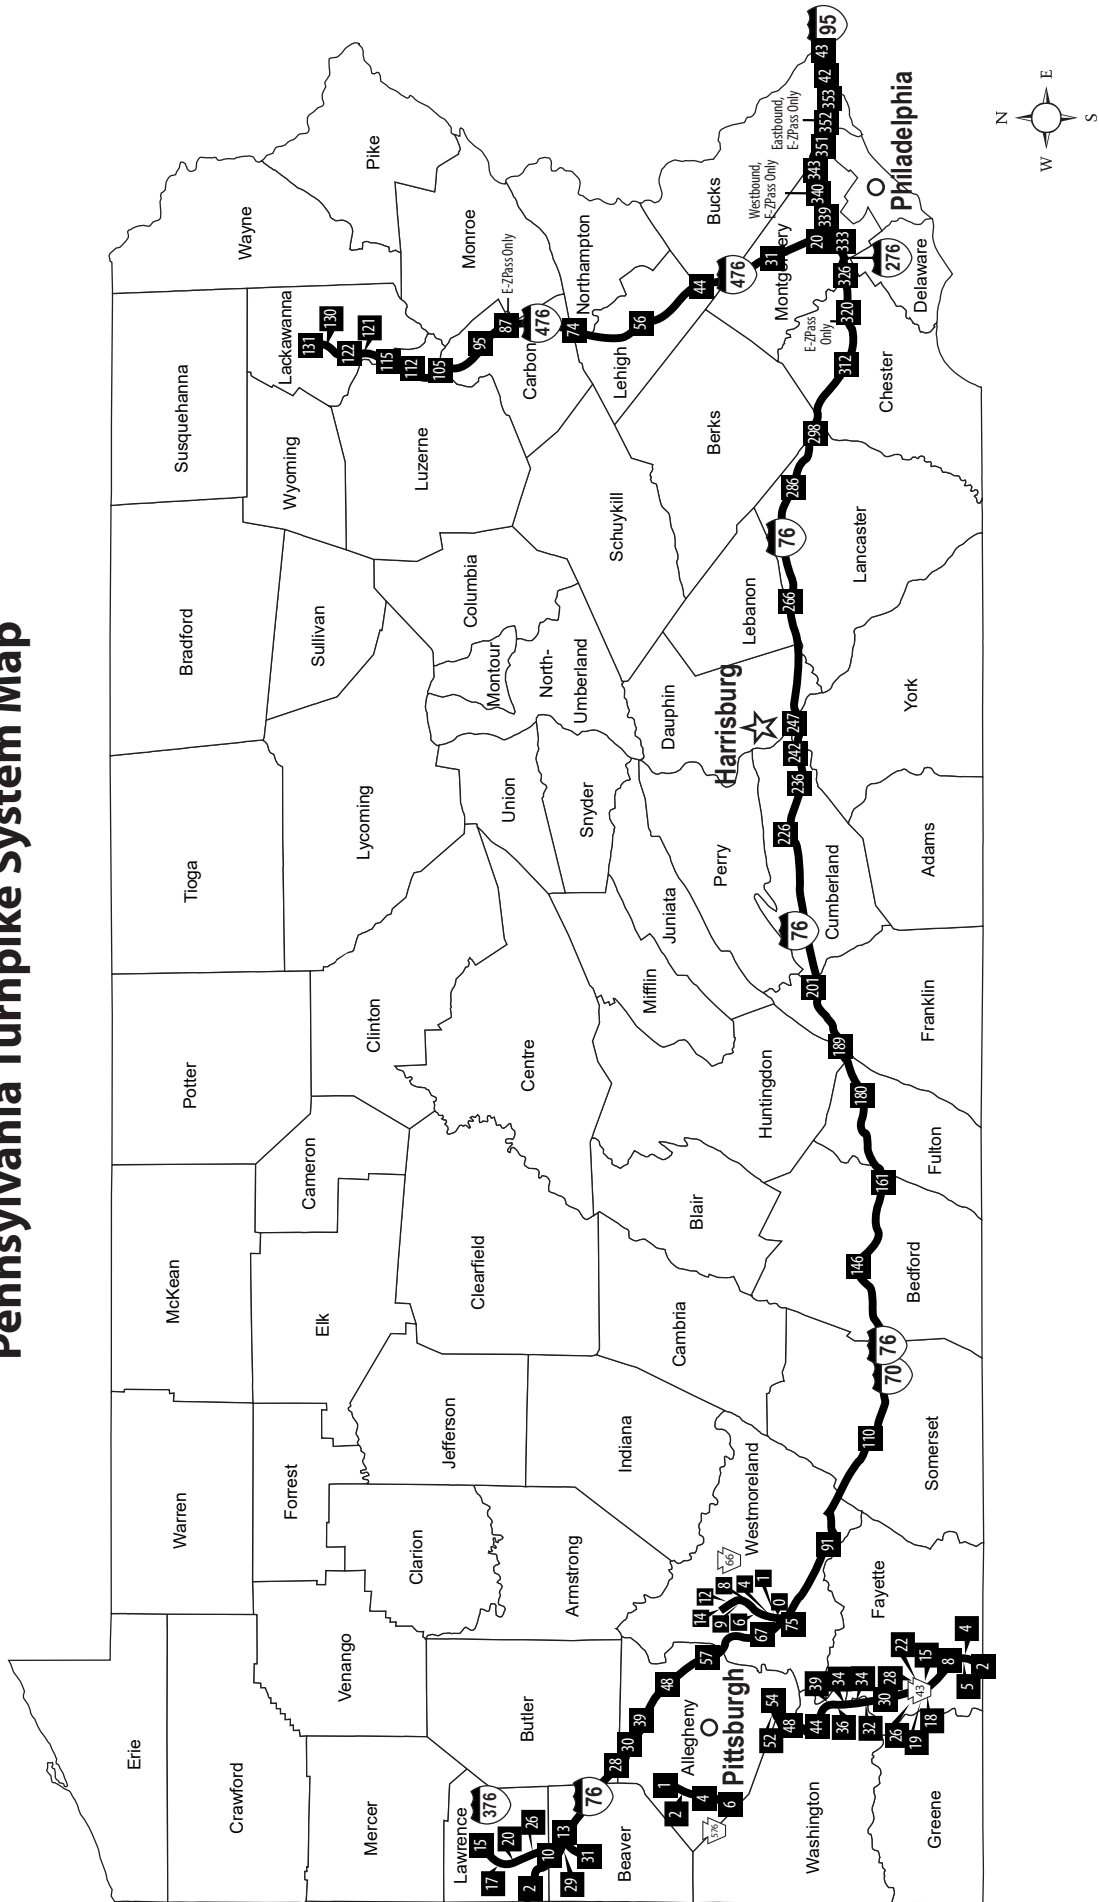

An example of the PA Turnpike TOLL BY PLATE invoice is shown to the right. Customers can pay the invoice over the phone or on the PA Turnpike TOLL BY PLATE website with a credit card. Customers can also pay by check through the mail. For those customers who prefer to pay with cash, they will need to drive to the Customer Service Center.

Customers with rental vehicles should check with the rental company about their policy with regards to travel on toll roads. Each rental company may have a unique process for handling tolls or violations incurred with a rental vehicle. Please see the Rental Vehicles page at <https://www.paturnpike.com/toll/rental.aspx>.

# PA Turnpike TOLL BY PLATE

## CASHLESS TOLLING

PA Turnpike TOLL BY PLATE is the license plate tolling system introduced in 2016 for cashless tolling points. Traditional cash customers traveling through a cashless tolling point will receive a PA Turnpike TOLL BY PLATE invoice. E-ZPass customers will be billed as usual.

### How Does it Work and Where Can I Use It?

PA Turnpike TOLL BY PLATE is only available at cashless tolling points on the PA Turnpike. The list of active cashless tolling points can be found on our website, [www.nocashzone.com](http://www.nocashzone.com).

High-speed cameras mounted overhead on the tolling facility capture license plate images as vehicles pass through at posted speed. The registered owner of the vehicle receives an invoice for all trips made through the tolling point. Tolls can conveniently be paid online, by phone and through the mail.

### Important Payment Terms and Information

An example of the PA Turnpike TOLL BY PLATE invoice is shown to the right. Customers can pay the invoice over the phone or on the PA Turnpike TOLL BY PLATE website with a credit card. Customers can also pay by check through the mail. For those customers who prefer to pay with cash, they will need to drive to the Customer Service Center.

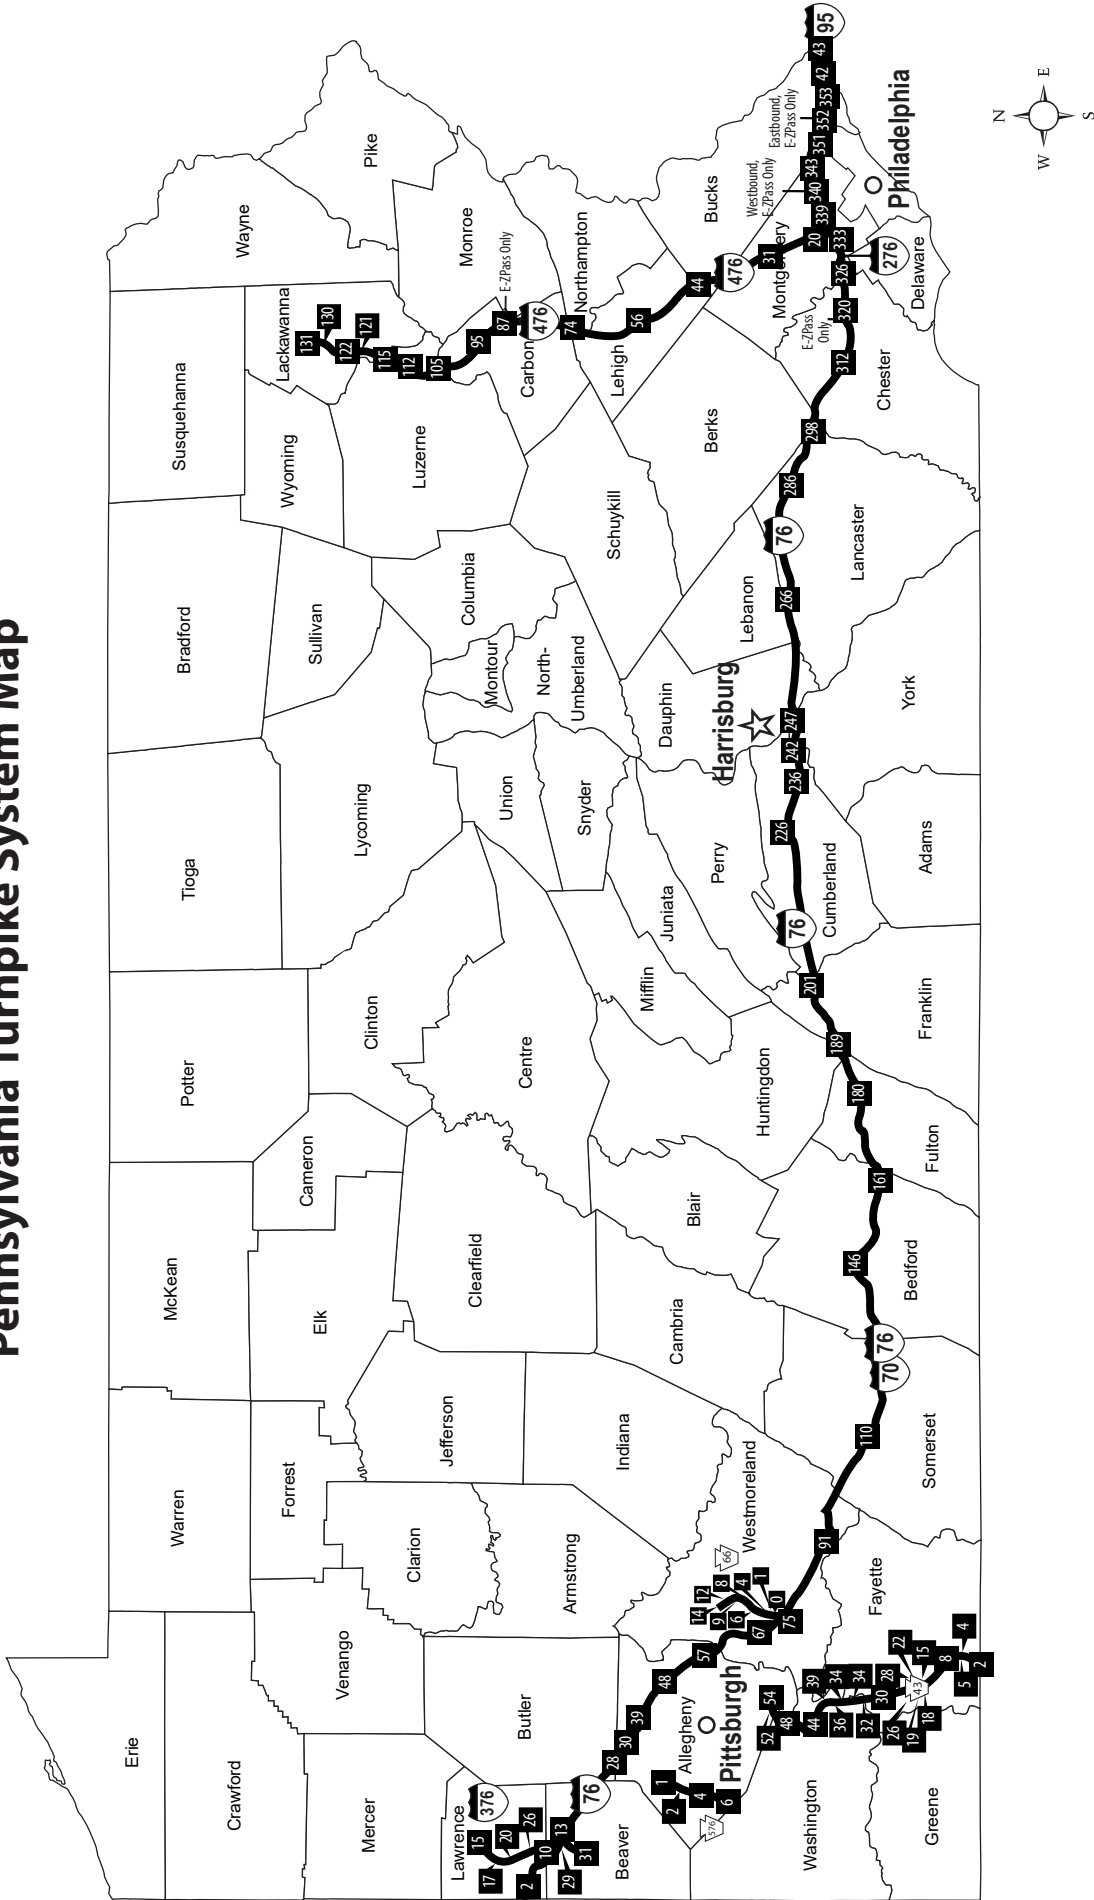

Customers with rental vehicles should check with the rental company about their policy with regards to travel on toll roads. Each rental company may have a unique process for handling tolls or violations incurred with a rental vehicle. Please see the Rental Vehicles page at <https://www.paturnpike.com/toll/rental.aspx>.

For more details, visit the PA Turnpike TOLL BY PLATE web page: [www.paturnpike.com/toll/tollbyplate](http://www.paturnpike.com/toll/tollbyplate).

## CASHLESS TOLLING

PA Turnpike TOLL BY PLATE is the license plate tolling system introduced in 2016 for cashless tolling points. Traditional cash customers traveling through a cashless tolling point will receive a PA Turnpike TOLL BY PLATE invoice. E-ZPass customers will be billed as usual.

### How Does it Work and Where Can I Use It?

PA Turnpike TOLL BY PLATE is only available at cashless tolling points on the PA Turnpike. The list of active cashless tolling points can be found on our website, [www.nocashzone.com](http://www.nocashzone.com).

High-speed cameras mounted overhead on the tolling facility capture license plate images as vehicles pass through at posted speed. The registered owner of the vehicle receives an invoice for all trips made through the tolling point. Tolls can conveniently be paid online, by phone and through the mail.

### Important Payment Terms and Information

An example of the PA Turnpike TOLL BY PLATE invoice is shown to the right. Customers can pay the invoice over the phone or on the PA Turnpike TOLL BY PLATE website with a credit card. Customers can also pay by check through the mail. For those customers who prefer to pay with cash, they will need to drive to the Customer Service Center.

Customers with rental vehicles should check with the rental company about their policy with regards to travel on toll roads. Each rental company may have a unique process for handling tolls or violations incurred with a rental vehicle. Please see the Rental Vehicles page at <https://www.paturnpike.com/toll/rental.aspx>.

For more details, visit the PA Turnpike TOLL BY PLATE web page: [www.paturnpike.com/toll/tollbyplate](http://www.paturnpike.com/toll/tollbyplate).
